WASHOE COUNTY OFFICIAL PRESS

WEDNESDAY, MAY 19, 1875.

MINING STOCK BOARD IN NEW YORK.—New York newspapers have been discussing the forming of a mining Stock Board in that city, and an evening paper says an active interest has become manifest in that city in the silver mining operations now going on in the West, and the belief is becoming general that New York is on the verge of a new mining speculation. The proposition to establish a new mining Board of Brokers is well supported, even though such a step be a little premature. There is more or less speculation in Nevada and Colorado mining stocks and mines already, and a few shrewd operators made considerable money on the great rise in silver mining stocks some time since. News from the West tends to develop and strengthen public interest in this class of investments, but it is to be hoped that no such wild excitement will ever be witnessed here as was observed in San Francisco when the "big bonanza" was discovered.

JAMES LICK'S NEW WILL.—James Lick has completed a new will, which gives satisfaction to all concerned. The new instrument makes many modifications of the provisions of the previous will, among which may be noted that the appropriation for a monument to Barton Key, author of "The Star Spangled Banner," has been reduced from $150,000 to $60,000. The clause providing for statuary to be placed on the State Capitol at Sacramento has been so changed as to call for placing the same on the new City Hall in San Francisco. The site of the Observatory, previously ordered to be located on the Sierra Nevada, in the vicinity of Lake Tahoe, has been changed, and the same will be erected in connection with the University of California, at Berkeley, and under the control of that institution. Many other modifications have been made and it is believed that under the present provisions everything will be satisfactory.

AN office is to be established in the City of Mexico by the principal railroads of the United States for the purpose of selling through tickets, good to and from Mexico to the United States, with the privilege of stopping wherever the tourists desire. Like tickets are to be sold at the Eastern offices to those intending to visit Mexico. The Mexican journals think the plan will have the effect of largely increasing travel and cementing friendship between the two countries.

ONLY two States have yet to hold elections for Congressmen. California chooses four members in September, and Mississippi six members in November. Six vacancies have been caused by death. After this year there will be uniformity in the time for electing members of the Lower House, the law requiring elections in all the States to be held on the Tuesday after the first Monday in November.

IT is reported that Beecher intends to leave for Europe and the Holy Land about the first of September, and may be gone over a year. In his absence his pulpit will very likely be filled by George Bacon. Moulton and General Prior are expected to start on a trip to Virginia next week. It is said that Mrs. Tilton is engaged in the composition of a novel, founded on the incidents of her life. She is in good health and not much depressed in spirits.

TELEGRAPHIC NEWS ITEMS.

The campaign against the illicit whisky distilleries continues unabated.

Ex-Senator Nye is reported to be hopelessly insane.

Jesse D. Bright, ex-United States Senator, is now lying dangerously ill of rheumatism of the heart at Baltimore.

Five new National Banks have been authorized to commence business in various parts of New England.

General John C. Breckinridge, ex-Vice President, is dead.

Parties are arriving at Cheyenne, wanting to go to the Black Hills.

The cause of the suspension of the National Bank of Hayti is given. It is probable that the bank will resume as it promises to pay in full and is probably founded, as its name implies, on the faith of the nation.

The trial of Count Von Arnim, on appeal, is to commence July 1st.

Prince Napoleon declares in favor of the French Republic.

The San Francisco Board of Supervisors have adopted what is known as the Calaveras plan of supplying San Francisco with water, in preference to what is known as Von Schmidt's plan of furnishing it from Lake Tahoe.

NEVADA STATE NEWS.

Senator Jones, of ours, who has obtained control of a process for the artificial manufacture of ice, has begun the erection of factories for that purpose in the cities of Galveston, New Orleans, Mobile, Atlanta, Savannah and Augusta.

Married, May 6th, by Judge M. C. Hickey, of Dayton, Charles H. Selby, of Gold Hill, to Sarah E. Curry, of Silver City. Said Judge Hickey after the ceremony was over: "Young man you are now hitched, and while journeying along the pathway of life, should the 'grass get kinder short' at times, never despair, but treat your right-hand man with kindness and you'll fetch up at the end of your journey in a beautiful place, where grass ain't wanted and stocks ain't bushed up for every meal as they are in Nevada."

The first rail has been laid, the first spike driven, and the first car placed on the track of the Eureka and Ruby Hill Narrow-Gauge Railroad. Track-laying will commence in good earnest in a few days, when the ties and iron commence to arrive more rapidly than at present. The engineers are at present on Cariboo Hill, preparing the grade for the constructors. The rolling-stock of the road will arrive about the 1st of June, and it is expected that the road will be completed by the 1st of July. An extra number of teams are now engaged in hauling the ties and iron from Alpha.

There is an enterprise on foot to build a road from Dayton to intercept the line of travel to Columbus. This, to our neighbors, seems to be an important movement.

The Indians about Austin have found a new gambling game. They place a small stick in the ground, and throw half-dollar pieces at it, the one throwing nearest the mark raking in all the money that is on the ground. This game seems to possess as much interest for the noble sons of the forest as Indian's poker, or white man's monte.

THE number of ex-Confederates who stand elected to the Forty-fourth Congress now amounts to eighty-six, Georgia [illegible] chosen one more to [illegible] Ninth Congres- [illegible]

WHEELER'S EXPEDITION.—A portion of one division of Lieut. Wheeler's expedition operates this year in Southern California, including three portions of the Coast Range and Sierra Nevada, extending westward as far as Death Valley; in addition to the general geographical route pursued by Lieut. Wheeler during the last five years he has been directed to make special examination and survey, with a view to determining the practicability of diverting the water of the Colorado of the West for irrigation and other purposes; he will also send a small party to co-operate with a similar one sent out by the Smithsonian Institute to make archæological researches and collections in the Santa Catalina Islands.

THE last statement of the public debt for May 1st presents some points of interest. The reduction of the debt for April was $2,325,000, and for the first ten months of the fiscal year, $1,778,800. This is a much better showing than for the corresponding period in the previous year. The total amount of the debt on the 1st of May, exclusive of accrued interest, was $2,239,286,000.

THE dedication of the new, grand Masonic Temple will take place in New York on the 2d of June. This will be a national event for that influential and extended order. Masons from all parts of the country will attend, and delegations from Europe are also expected.

A conductor on the Union Pacific railroad put a "dead beat" politely off his train once; kicked him off three times; then finding the impecunious in the car again, inquired: "Where in blazes are you going?" "Well," said the not-to-be-got rid of, "I'm going to Chicago if my pants hold out, but if I'm going to be kicked every five minutes I don't believe I'll make the trip?" The conductor let him ride a little way.

RETURNED—Mr. Jake Enkle has returned from San Francisco and deserves great credit in the manner in which he refitted his rooms. He has now the most elegant shop in the State Jake is now running three chairs, being reinforced by Henry Morris and brother. Everybody knows Henry for he is the pioneer artist of the Coast, and between the three first-class artists, no one will have any occasion to wait long, or to go away dissatisfied. His excellent hair dressing, the I. X. L., will always be found on hand.

NEVADA STATE JOCKEY CLUB.

The Nevada State Jockey Club organized for the purpose of conducting speed contest on the speeding of Nevada State Agricultural, Mining and Mechanical Society's Fair Grounds at Reno—at the State Fair to be held from the 4th to the 9th day of October next, both days inclusive, having completed their arrangements for giving $10,000 in purses, met yesterday at J. R. Stuart's, in Virginia City, and transacted the following business: Temporary organization was effected with C. C. Batterman, Chairman, and B. F. Leete Secretary. On motion C. C. Batterman was elected President; W. R. Chamberlain, Vice President, and B. F. Leete, Secretary.

On motion the President was authorized to appoint a Committee on Constitution and By-laws for the government of the Club, such Constitution and By-laws to have incorporated into them and be consistent with the agreement and stipulations existing between the Jockey Club and the State Agricultural, Mining and Mechanical Society. The President appointed as such Committee: L. T. Fox, A. M. Edgington and J. R. Stuart.

On motion the Club elected the following Committee on speed programme and purses: L. T. Fox, Theodore Winters, A. M. Edgington, C. Derby, Isaac L. Requa, D. A. Bender, H. M Yerington, Jewett W. Adams, C. C. Stevenson, F. A. Tritle and Henry K. Mitchell.

On motion it was voted that the President and Vice President should be ex-officio members of all Committees.

On motion of F. A. Tritle it was voted as the opinion of this Club that the Trustees of the State Society should charge for gateage admission $1, and for season tickets, $5.

On motion the Club adjourned to meet Thursday, May 27th, at 1 P. M. at the same place.

All Committees are requested to report promptly at that time.

EVERY lady should go in time and secure some of those new style Spring dress goods at 25 cents per yard, at J. Prescott's. *

REMOVAL.—G. E. Hall has removed to Commercial Row, next door to the Reno market, and will make as good boots and shoes as ever.

Lawyer Boardman's office is now on Virginia street, next door to the Justice's office. Boardman attends faithfully to the interests of his clients. He can be found in his new office at all hours.

FESTIVAL.—Don't forget the festival to be given to night by the members of the Methodist Church. They have made extensive preparations for the entertainment and all who attend will have a good time. The music has been prepared with care; reading and declamation will not fail to please and it makes our months water to think of the ice cream, strawberries, lemonade and cakes. Go and have a good time, and help a laudable enterprise.

HORSES strayed or taken up, houses to rent, stock and merchandise for sale recently advertised in the JOURNAL have been returned, rented, called for and sold beyond the expectation of parties advertising. If you do not want a thing known keep it out of the paper; if you do advertise it.

MONTGOMERY QUEEN'S CIRCUS.—The coming circus is said to eclipse anything of the kind on this coast. The sight of the menagerie alone is reported by California papers to be worth the price of admission, and taking into consideration that Queen has the two best riders in the world, a great show may be looked for.

WE have had a dash of Oregon weather this week—leaden skies with some of the smaller plugs out. A good soaking rain would meet with general approval by the Patrons of Husbandry and other organized sojourners in this vale of steers.

BRISK.—Constable Barlow has his hands full these times. Business is brisk with Billy. He strikes a bonanza almost every day. He don't care, though.

STOCKS are sick, sicker, sickest, in the language of some of our local operators.

JACK NELSON.—This horse will stand in Reno and vicinity during the present season. He belongs to the fastest breed of horses there is on the coast—many of his relatives having made their mile in 2:25. He himself, has made his two miles in 6 minutes, and is an untrained animal. He would make a fast trotter were it not for an accident that severed his gambal joint, whereby he was unfitted for the turf. He is 16 hands high, and weighs 1,225 pounds. He is a beautiful animal and we advise all to take a look at him and if he suits, you will do well to patronize him.

THE people have found out that our new Spring stock has arrived. To the ladies: We want to call your particular attention to our large stock of ladies dress goods for the Spring and Summer fashions at unusually low prices. Look all around, and then save from 20 to 25 per cent, by trading with us

BARNETT & BRO.

NEW GOODS.—Mrs. McNeely has just received a new and beautiful lot of goods of the latest styles and colors, consisting of ready made suits, dry goods, muslins, prints, white goods of all kinds, table linen, towels, napkins, black silk, hosiery, two-button gloves, gent's kid gloves, also handkerchiefs, ladies handkerchiefs, parasols, Spring shawls, corsets, zephyrs. Millinery and fancy goods of all kinds. *

NOTICE.—Mr. Nels. Greenman is no longer our authorized agent. Our patrons will govern themselves accordingly. SU LEE & CO. *

THE largest and finest assortment of English and American prints at J. Prescott's. *

MILLINERY AND FANCY GOODS.—Mrs. Julia J. Prescott is pleased to inform her friends and customers that she has just returned from San Francisco after having selected the most complete, fashionable and elegant stock of Spring and Summer millinery and fancy goods for this market and which she has now displayed at her establishment at No. 20 Commercial Row. All are cordially invited to call and examine. *

ANOTHER MURDER.—Monday evening about 8 o'clock a row occurred in Chinatown, in which one Chinaman was cut in the arm and his antagonist killed. The Chinaman who did the killing has been employed at the Lake House for some time as a washerman, and alleges that the man killed was his cousin, and that they were both named Ah Hui. Coroner Jones held an inquest yesterday and the jury rendered a verdict in accordance with the above facts. The prisoner comes up for examination at 10 o'clock this forenoon before Judge Gilson.

MINER'S MEETING.—The miners of Peavine have a meeting next Friday at 1 P. M. for the purpose of amending the by-laws of the district in some few particulars.

PENMANSHIP.—Prof. E. P. Connor will commence his first term at the public school house in Reno on Wednesday, May 19th at 4 and 7 P. M.

ALBANY COLLEGE INSTITUTE.

To whom it may concern: I take pleasure in bearing testimony to the eminent qualifications of Prof. Connor to teach penmanship. This fact was established during his term of lessons given to the students of our college. Prof. Connor has a high reputation as a gentleman, and we are only wishing him what he most eminently deserves when we wish him success wherever he may go.

R. K. WARREN, President.

DR. A. B. SPINNEY,

WELL KNOWN throughout the country as a Pathologist and Physiologist, whose successful treatment of certain physical disabilities and functional derangements deservedly entitled him to the familiar recognition of the GREAT SPECIALIST, would respectfully inform the citizens of Virginia City, Nevada, and vicinity that he can be consulted at No. 188 South C street, Virginia, seven doors north of the French Drug Store, at his office, thus giving invalids an opportunity of ridding themselves, through his professional agency, of such constitutional annoyances and ailments as he claims to compass and to cure. Without entering into biographical details, it is sufficient to simply promulgate the fact that DR. SPINNEY'S earliest reputation may be traced back to his inauguration and conduct of the Montreal (Canada East) Medical Institute. The regime of the English Pharmaceutical Colleges is gauged by an elevated standard. An extended experience and an assiduous study of the varied phases of disease enables him to guarantee assurance of success in the eradication of the multiform chronic affections incident to both sexes, such as Nervous Debility, Exhausted Vitality, Youthful Excesses, Marriage Impediments, Chronic and General Afflictions.

TO THE LADIES.

DR. SPINNEY, while naturally impressed with the delicacy of the subject, feels no hesitancy in assuring them that, in conjunction with a competent knowledge of their various sufferings, such as Nervousness, Neuralgia, Spinal Weakness, Loss of Appetite, Lassitude, Prolapsus Uteri, Retroversions or Displacement of the Womb, Vaginal Irregularities, Leucheorrea, Dyspepsia, Indigestion, Constipation, and the many petty, irritating distractions that almost invariably have their origin in the uterine region, afford them immediate relief.

YOUNG MEN.

Who may be suffering from the effects of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. DR. SPINNEY will gaurantee to forfeit five hundred dollars for every case of seminal weakness or private disease of any kind or character which he undertakes and fails to cure. He would, therefore, say to the unfortunate sufferer who may read this notice, that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage—remember you are approaching the last. If you are bordering upon the last, and are suffering some or all of its evil effects, remember that if you obstinately persist in procrastination, the time must come when the most skillful physicians can render you no assistance; when the door of hope will be closed against you; when no angel of mercy can bring you relief. In no case has the Doctor failed of success. Then let not despair work itself upon your imagination but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill, or before grim death hurries you to a premature grave.

COME AND BE HEALED.

It matters not what your trouble may be, come and let the Doctor examine your case. It will cost you nothing for consultation, so please call and satisfy yourself whether the Doctor understands your case. If he can cure you he will tell you so; if not, he will say so, for he will not undertake a cure unless he is confident of effecting a cure.

MIDDLE-AGED MEN.

There are many of the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for; on examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin and milkish hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.

N. B.—Only an interview required in majority of cases, balance of treatment can be conducted at home without interruption of business. No cases treated without personal interview and proper examination. Office hours—10 to 1, 2 to 4, and 7 to 8. Consultation Free. Examination and advice $5. a3 tf

APPLICATION FOR PATENT.

NOTICE NO 270.

U. S. Survey No. 37.

U. S. LAND OFFICE, CARSON CITY, Nevada, April 9th, 1875—Notice is hereby given that the Willow Creek Silver Mining Company, a corporation, has by its Superintendent Jas. Morgan, whose postoffice address is at Washoe City, Washoe county, Nevada, made application for U. S patent to fifteen hundred (1,500) feet of a certain lode or vein of quartz or other rock in place bearing gold, silver, copper and other metals, commonly called and known as the Union Lode and the Willow Creek Silver Mining Company's claim, Galena Mining District, Washoe county, Nevada, extending fifteen hundred linear feet along the line of said lode in a southwesterly direction from post No. 1 the point of location, and embracing the same with all its dips, spurs, angles and variations with surface ground six hundred (600) feet in width and described on the plat and field notes on file in my office as follows, to wit:

Beginning at post No 1 whence southeast corner of section 12, township 17 north, range 19 east, Mount Diablo Base and Meridian bears south 21½ degrees east, 736 feet, mouth of tunnel bears north 72½ degrees west 1110 feet (said tunnel runs south 22 degrees 3700 feet) and runs from said post No. 1, 1st course north 34 degrees west 300 feet to cut in croppings 600 feet to post No 2, thence 2d course south 56 degrees west, 1500 feet to post No. 3, thence 3d course south 34 degrees east 600 feet to post No. 4, thence 4th course north 56 degrees east 1500 feet to pos No. 1 the place of beginning, containing 20 66-100 acres, bearings from the true meridian variation 16½ degrees east.

The improvements made upon this claim by the applicant or its grantors consist of the cuts and tunnel hereinbefore mentioned, upon which they have expended not less than five hundred dollars. This survey was made in accordance with record of location. This claim is bounded by no known claimants. The location of this claim is recorded in Book A, pages 78 and 79 of the mining records of Galena Mining District, kept at the office of the Mining Recorder of Galena Mining District at Reno, Washoe county, Nevada.

THE THOROHUGBRED TROTTING STALLION

RIFLEMAN!

Will stand the present season at Longley's Ranch six miles south of Reno, Nevada, season commencing April 1st and ending July 1st, 1875. Terms of service thirty dollars, payable in United States gold coin, before the close of the season.

Description:

Rifleman is a beautiful bay, 15¾ hands high, and is the handsomest horse and the best bred trotter in the State. He has as much Messenger blood in his veins as Smuggler, the champion stallion of America, that won the Stallion Race at Boston, in 1870. Rifleman's colts are all very stylish and large and show fine trotting action. I will show his colt Morgan Chief at the next State Fair against any colt of his age west of the Rocky Mountains. I will also give a premium of $20 to the best sucking colt from Rifleman that is shown at the State Fair next Fall.

Pedigree:

Rifleman was sired by the Thoroughbred Stallion Rifleman bred by by Jno. Glencoe, dam by Rudolph, out of Butterfly by Sumpter. His dam was the Thoroughbred mare Lady Davis by Red Bill by Monroe and he by American Eclipse out of Miller's Damsel by Imp. Messenger. I have good pasturage at $1 per month for the accommodation of mares from a distance. I take good care of mares, but will not be responsible for accidents or escapes should any occur. No mares delivered until all charges are paid
